

Mrs. Taylor Lorin Beemon

Queen. Wife. Mama.

Mrs. Georgia All-Star United States 2026

Taylor Lorin Beemon is a proud native of Jonesboro, Georgia whose southern roots shape her faith, her values, & her voice. She stands firmly on 2nd Corinthians 9:8 — "God is able to bless you abundantly so that in all things at all times, having all that you need, you will abound in every good work." This scripture guides her life, her family, & her calling to serve women with grace and intention. Taylor received her secondary education through Clayton County Public Schools, graduating with academic & social honors including the Fine Arts Seal of Distinction, the McDonald's Ray A. Kroc Youth Achievement Award for Outstanding Community Service, & the title of Homecoming Queen. She continued her education at Agnes Scott College in Decatur, Georgia, earning a B.A. in Vocal Music Performance with a minor in Dance Performance, further enriching her lifelong love of the arts.

Taylor began competing in pageants at fifteen years old. Her elegant stage presence, artistic talent, & meaningful community impact have earned her numerous superlatives, semi-finalist placements, & three state titles across multiple systems. Her journey in pageantry reflects her belief in stewardship, becoming, and using every platform for purpose. Off the stage, Taylor finds joy in sharing the gift of family as an egg donor & pregnancy loss advocate. She is also an avid Barbie collector & a lover of all things décor, crafting, & organization. Above all else, Taylor cherishes her role as a stay-at-home wife and mother to her middle-school sweetheart, Corey, and their two daughters, Blaire Josephine and Bailey Diana.

As Mrs. Georgia All-Star United States 2026, she believes that womanhood unfolds in God-ordained chapters, each worthy of honor, patience, & intentional growth. "Queen Wife Mama" is her digital community devoted to reminding women that singleness, wifehood, & motherhood are all sacred seasons — each carrying its own lessons, joys, & opportunities for becoming the best version of oneself. Taylor's vision is to cultivate a culture where women feel supported, celebrated, confident, & equipped to thrive right where they are. Her impact is strengthened by lived experiences as a pageant girl, women's college graduate, a wife, and a proud rainbow and girl mama of two.

Queen. Wife. Mama.
Mrs. Georgia All-Star United States 2026

I placed 1st runner-up nationally.

With your support, I can bring the national title back home to Georgia.

In July 2026, I proudly represented Georgia's wives & mothers at the national pageant & placed 1st Runner-Up. I'm now preparing to return with one goal — bringing the national title home to Georgia. My platform focuses on uplifting women, strengthening community connections, & promoting confidence, leadership, & service. I am seeking sponsorship partners who share these values & want to support meaningful, community-driven work. Your organization's commitment to empowering women & supporting Georgia communities aligns beautifully with my mission.

Sponsorship directly supports my competition expenses — including travel, wardrobe, coaching, outreach events, & media preparation — allowing me to expand my platform's impact across the state. Together, we can inspire women, strengthen families, & elevate Georgia communities. Sponsorships range from \$50-\$500+ & in exchange for your support I would love to collaborate in a way that feels meaningful and mutually beneficial. This could look like...

- Social media features
- Event collaboration
- Content partnerships
- And so much more!

Thank you for considering becoming a sponsor. I look forward to the possibility of working together to bring the crown back home to Georgia — and to uplift the women who make our communities shine.
